January 1, 2022

Dear Act Out Theatre Company Supporter,

We are excited to celebrate ten years of providing life-transforming services in the City of Long Beach and beyond in 2022. As part of the festivities, we are hosting ***Through the Years***, our 10 year anniversary fundraiser gala at The Grand in Long Beach on October 14, 2022. This will be a special evening with you, our partners and friends, celebrating and recognizing the inspirational work of those who have made their mark by greatly impacting the communities we live in.

Since January 2012, we have provided tuition-free opportunities for at-risk and traditionally underserved children and adults to discover their creative potential with arts programming and educational training that enrich their lives and stimulate the entire community! The Act Out Theatre program goes far beyond theater and art, we provide a safe and creative environment where children and adults are building team skills, learning how to cooperate and work with each other toward common goals, improving confidence and grades, building social skills and learning social responsibility, and acquiring habits and skills that carry over into their lives at school and work. With nearly 250 participants and close to 3500 theater attendees anticipated in 2022, we are working hard to revitalize our Long Beach neighborhoods with activities that spur creativity, innovation, and empowerment.

As part of the fundraiser in March, we plan to hold a silent auction and are hopeful you can donate an auction item(s). All items are due in our office by October 1, 2022. We thank you for your consideration in providing an auction item(s). All proceeds from the silent auction will benefit Act Out's programs and services. Act Out is a non-profit, 501(c)(3) organization, tax ID # 83-3535047. If you wish to donate, please fill out the "Auction Submission Form" below and return it with your donation. Contact Travis Wade, Executive Director at (323) 920-5069 if you have any questions.

We thank you again for supporting children and families in our communities.

Warmest regards,

Travis Wade—Executive Director
